Exceptions to basement criteria may be made for accessibility concerns or for flood plain concerns.

Exceptions will be considered where buildings employ other distinctive window or face treatment that adds depth and visual interest to the building.

*When utilizing a hip roof, the ridgeline shall be broken up or front porch shall have a separate roof

Exceptions to the roof ridgeline requirement may be made for narrow properties. For large roof requirement this applies to all side elevations facing a street. *

An analysis based on plans will be done to verify the home will meet the Focus on Energy Certification. Then two sites visits will be conducted to verify. The costs for these tests will be covered by the City of La Crosse and performed in-house. Buyer will forfeit security deposit if the final test does not show that their home meets Focus on Energy standards.
