

PERMIT FACTSHEET

Portable Storage Containers and Dumpsters

City of La Crosse Engineering Department

Phone: (608) 789-7505

Email: engineering@cityoflacrosse.org

See Municipal Code Section 40-13 for more information.

A permit is required anytime you place a portable storage container or dumpster within the City's Right of Way.

To apply for a permit:

- Return this completed application along with fees noted below via email to engineering@cityoflacrosse.org or mail to or drop off at City of La Crosse, Engineering Department, 400 La Crosse Street, La Crosse, WI 54601.
- **Average completion time for validation is 5 days.**

A permit costs:

- \$75 for a 14-day permit
- \$500 if no permit applied for

Insurance is required.

- Public liability of not less than \$200,000 for one person, \$500,000 for one accident and property damage insurance of \$100,000.
- The Certificate of Insurance **must** name the City of La Crosse as Additional Insured.
- Bond of \$3,000 by an approved insurance or security company to cover any damages that may occur to city property.

Follow these regulations:

- Prominently display the Name, Address and Phone Number of Applicant on each storage container or dumpster.
- Equip each storage container or dumpster with reflectorized tape or other reflector devices and flashers on both front and rear.
- Do not place any storage container or dumpster in a moving lane of traffic or interfere with public works construction.
- Place the storage container or dumpster on streets in legal parking zones only.
- Submit this Application before placing the storage container or dumpster.

Failure to obtain a permit before commencement of work will result in a permit fee of \$500.
