MTU is a safe, convenient and economical transportation alternative: Our bus service covers almost the entire city of La Crosse. We can get you and your family members to work, doctors appointments, recreational activities, school, and shopping. Parents can rest from many of their chauffeuring responsibilities. Our service is a reliable transportation alternative… even during winter weather. All of our buses are wheelchair accessible for the convenience of the disabled.

Using bikes on MTU

MTU does not require you to keep your bike, environment, in shape – take it with. With a bike rack you can carry your bike, you can make bike riding part of your regular commute. The bike racks are quite functional to use. Each rack can accommodate two bicycles. In addition to charge to the racks, and an instruction booklet is available at www.cityoflacentro.com. For more information about using your bike on the bus, please call the customer service at 608-784-5510.

Specialized service for the disabled

To meet the special needs of persons with disabilities and to comply with the Americans with Disabilities Act, MTU operates wheelchair accessible buses on its regular fixed route system. It also provides ADA Paratransit Service, called MTU on Call/Bus. Specialized service is available for those who cannot use the regular bus service. Wheelchair service on the buses stops at their destinations, or who require more service than standard Para service. The service operates on a first-come, first-served basis, depending on the availability of the buses. MTU contracts with a private provider to operate this service, which is available during the same hours and days as bus service.

If you or someone personally or family member of your disability may use this service. Call the MTU office at 608-784-5510 for more information on ADA Paratransit Service or to request an application form or certification.

TTF Info: MTU encourages the use of the Wisconsin Dial a Ride system. Call us at 608-784-5510 and ask for a TTF Request Form. MTU uses a mobile community to carry everything with their needs. By using the TTF card, you can travel to and from the TTF card. To use this service please call 608-784-5510 at 1-800-947-6229.

Plan your trip on Google Maps

MTU has partnered with Google to include our information on Google Maps. Google Trip Planner is now available on the City of LaCrosse website. You provide your trip origin, destination and mode of Google Maps does the rest. The La Crosse MTU Trip Planner will provide transit options for trip starting at the La Crosse MTU service area. MTU data is then available to Google Maptia. You may display directions to and from the nearest bus stop, applicable route numbers including any transfers, and information on fare options. Android will no longer need to have Google Maps installed, simply enter the start and end address in the Trip Planner by either street name or by entering your current location.

To request pick up from any of these locations, you must call the MTU office at 789-7350. Please call no more than 15 minutes before desired pick-up time. Please be at pick-up location off the regular route at right time. To get dropped off at any of these locations, you must tell the driver your pick-up location off the regular route. Buses in La Crescent and French Island will also deviate from the regular route to drop you off. See note below.

French Island and La Crescent Service

Route 7 and route 10 drop off at the bus stops shown, but will also stop at any corner along the route. Simply flag down the driver at the bus stop.

Buses in a La Crescent and French Island will also deviate from the route shown upon request. You may request a pick-up at a location off the regular route, you must tell the driver your destination as you board the bus, so they know to deviate off the regular route to drop you off.

To request pick up from any of these locations, please call the MTU office at 789-7350 no more than 15 minutes before desired pick-up time. Please be at the bus stop before scheduled pick-up time. The bus will not be able to wait.
