

### **01/13/20 Minutes**

Meeting started at 6:30 and adjourned at 7:35

Attendance: 7 and 1 guest

1. We had several firsts this meeting: Our new co-chair Cathy Van Maren led the meeting, we are still looking to fill the other co-chair position. We met for the first time at our new location, Goodwill, and our new day, second Monday of the month. The meeting room is very nice and attendance was average.
2. We reviewed the HNA Goals and Objectives that were written in January 2019 and made some adjustments:
  - a. Under goal to increase membership we want to add a welcome letter to new neighbors.
  - b. Under goal to increase safety and improvements we want to add: continue to get neighborhood safety updates from the police and fire departments, and, teach all the importance of neighborhood watch "If you see something you need to call it in".
  - c. Under the goal to revitalize Highland Park we discussed the possible need for more (or better) lighting, possibly a motion light.
3. The update on the Highland Park Project is moving along slowly and is in the hands of the City Engineering Department as they work with Ecoscapes.
4. Cathy reviewed some of the responses she received from a brief survey that was sent out via email to the neighbors on our list.
5. The treasurer's report was not available.
6. We approved unanimously to pay \$200 to go to LCNI for our dues and insurance.
7. The city will no longer archive our minutes, they will only keep current month on their website. If you are interested in reading past minutes for HNA they can be found on the LCNI website [lacrosseneighborhoods.org/Hintgen](http://lacrosseneighborhoods.org/Hintgen)
8. We discussed lighting as this is an area that was picked on the survey as a point of interest and also a part of our safety goal. Linda bye will get more details and report at next meeting.
9. We would like to have a backup plan if there is bad weather, Cathy will put it on the website if we need to cancel.
10. We will begin to announce upcoming community events and will begin scheduling speakers for our upcoming meetings.
11. We will have some yard signs printed so we can posts notices in the neighborhood reminding people of our meeting. We will be able to complete this step listed on our 2019 goal.

**Our next meeting will be Monday, February 10<sup>th</sup> at the Goodwill meeting room (go right as you come into the store) 6:30 pm. If you have questions please email at [HintgenNA@gmail.com](mailto:HintgenNA@gmail.com)**
