SUBJECT: Grand River Station Lobby Closing 3/18/20
Service Updates
DATE: 3/17/2020

To All:

The MTU is continuing to monitor the issues surrounding COVID-19. We are following the direction from our state and local health officials along with information from the Center for Disease Control (CDC). With this guidance we have made the difficult decision to close the Lobby at Grand River Station (314 Jay Street). As of now, our operation will remain at a normal schedule. Buses will continue to use the outdoor platform at Grand River Station as the main transfer point.

We encourage people who need passes, tokens, or general assistance to contact the MTU at 608-789-7350.
