For Immediate Release:

June 18, 2020

City of La Crosse's Coronavirus (COVID-19) Pandemic Update:

In an attempt to stay consistent with the La Crosse County Health Department and the COVID Compass, City Hall will be closed to the general public beginning Friday June 19, 2020. With the increase in positive COVID cases and shift in the Coulee Compass to SEVERE(Red), this decision was made to safeguard city staff and community members alike. The closure will be monitored on a weekly basis, but is currently put in place indefinitely.

The general public is urged to utilize drop box or schedule appointments with specific staff to meet in front of the building.

Municipal Court will remain on schedule, utilizing the north entry door and limited to Council Chambers. Potable bathrooms and handwashing stations will be located outside for general public attending court.

Council/Committee meetings will remain being held virtually through the month of July.

Thank You for your understanding and patience.

Residents with concerns or questions are encouraged to call the appropriate department. For a list of department phone numbers, please go to:
