Move Time and Cancellations: The approved time for moving oversize loads in the City of La Crosse is 4:00 A.M. in the morning of the effective permit date. If extenuating circumstances require an alternate time, special approval must be made by the City Traffic Engineer or other designee of the Board of Public Works. In the event of cancellation, Applicant shall be responsible for confirming cancellation with La Crosse Police Department via the non-emergency contact by 11:00 P.M. on the night prior to the move. Failure to do so may result in charges billed for expenditure of resources.

Note: Permits issued by the Wisconsin Department of Transportation are for movements on the state trunk highway system only; permits issued by the County Highway Commissioners are for movements on county trunk highways in their respective counties only; and permits issued by the municipal officers in charge of maintenance are for movements on highways and streets in their respective jurisdictions only. *This form is for transportation of a non-divisible load exceeding statutory size and/or weight. This form may be used for moving "Buildings" (per Statutes), but is subject to additional Ordinances. This form may NOT be used for permitting mobile homes and/or modular building sections.*

Note: Once invoiced, application fees may not be refunded. Details of permit, including dates, may be modified with approval of the Engineering Department.

I, the applicant, certify that the statements contained in the application are true and correct, and I will comply with all terms and conditions.
