

POLICE STATION #2

COMMUNITY ROOM

713 St. James St.

The historic “Police Station #2” was demolished in 1994 and replaced with a new Community Center/Police Station. Still affectionately known as “Station 2” by the officers, the facility received a facelift in 2016. The community room has been updated with modern technology and is suitable for organizational meetings, group trainings, informational meetings/presentations or social events. A small kitchenette enables your group to bring refreshments and food for your meeting. See the amenity list below for full details.
